

PRINCIPAL MENTORING MATTERS

Lead ● Mentor ● Repeat

Principal Mentoring Matters is a year-long mentorship program for building administrators to strengthen their leadership capacity and effectiveness in their daily work as a principal. The program includes monthly virtual mentoring meetings. We will work together to transform your leadership, inspire your team, and improve implementation.

FOCUSES

- ✓ **Healthy Leadership Practices:** Time management, delegation techniques, and healthy habits to increase joy in your work and sustainability.
- ✓ **Positive School Culture Strategies:** Tools to increase positive school culture, increase teacher satisfaction, and bring fun and a family-like atmosphere to your staff.
- ✓ **Effective Implementation:** Learn how to align professional development, use implementation strategies, and systematically monitor the progress of initiatives.
