

# ASPIRING PRINCIPAL ELEVATION

## Lead ● Mentor ● Repeat

Aspiring Elevation is a professional development series created for educational leaders looking to take the next step into a building administrator position. This series will provide a practical look at the position's challenges and how to overcome them while also maintaining healthy personal and professional habits. Skills and tools will be developed that will increase your leadership capacity in any position.

### FOCUSES

- ✓ **Strength-Based Leadership:** Explore effective leadership skills, discover leadership strengths, and learn how to utilize these skills to build a dynamic team.
- ✓ **Practical Tools:** Tools to increase effectiveness in daily principal tasks such as productive meetings, difficult conversations, time management, distributive leadership, effective feedback.
- ✓ **Interview Preparation:** Interview preparation will take place along with a practice interview personalized to the next position you are seeking.
